SubliJet®
Sublimation Systems

Ricoh SG3110DN

Product Highlights:
- High-performance print speeds
- High Capacity Output
- Includes PowerDriver R color management software.
- Utilizes SubliJet R inks for advanced printability.
- Backed by our PartnerPlus R Premier® Support Program and 100% satisfaction guarantee.

The Ricoh SG3110DN System is ideal for:
- T-Shirts/Vapor Apparel
- Promotional Products
- Awards & Plaques
- Photo Gifts/Tile Murals
- Interior Signage

Fast Speed, High Quality, Low Cost, Eco-Friendly

The new generation Ricoh SG 3110DN is a cost-effective, energy-efficient, production-quality printer capable of achieving high capacity output and vivid color with Sawgrass Technologies’ SubliJet-R™ transfer inks. The PowerDriver-R for the Ricoh SG 3110DN gives you the ability to produce brilliant images with sharp detail and vivid colors in a large print area up to 8-1/2” x 14”. 15% Increased yield for lower image cost and faster ROI

Expanded Color Management Features
PC - Two options designed for the needs of sublimation: Classic 3300 or High Resolution. In addition, the Power Driver also comes with the ColorSure Palette to enable you to easily match spot colors.
Mac - MacProfile with Swatch Palette. This MacProfile is optimized to give you rich vibrant colors on a variety of substrates.

SYSTEM FEATURES AND BENEFITS:
Low Maintenance & Fast Set-Up
- Self cleaning option helps to limit missing nozzles and ensures quality and consistent printing each time.
- Quick and easy out of the box setup and cartridge replacement.
- Allows for full network integration, allowing multiple users to utilize the sublimation printer.
- Ricoh SG3110DN inks are backed by SawGrass’ PartnerPlus-R program
- New Dual Directional Pump - Clean nozzles with minimum ejection of ink.

High Capacity Media Handling
- Can print on virtually any media type from letter (8.5” x 11”) to Legal (8.5” x 14”) size.
- Built-in high-capacity paper tray handles 250 sheets of plain letter-sized paper.
- Up to two optional tray holds an additional 250 sheets.
- Optional by-pass tray that handles up to 100 sheets

Advanced Color Control
- PowerDriver-R color management software included with your purchase (downloadable) for PC.
- Choose between Classic 3300 or High Resolution Power Driver settings.
- ICC Profile for Mac OS including Palette Swatch Library and Proofing Palettes.
- PowerDriver-R gives users control over image quality, color output and other print options.
- ColorSure color palette assist users to match spot colors consistently and accurately.

Minimum System Requirements
- Hardware: Pentium 4 - 2.0 GHz or higher Processor with at least 2 GB of RAM and 30GB of Disk Space Windows XP, Vista, Windows 7, or Mac OS 10.5+
- Recommended Hardware: Pentium 4 - 3.0 GHz or higher Processor with 4 GB of RAM and 30GB of Memory Windows XP, Vista, Windows 7, or Mac OS 10.5+
SubliJet-R Inks

- Higher-viscosity, sublimation ink formulated specifically for Ricoh Geljet technology.
- Standard CMYK configuration (Cyan, Magenta, Yellow, and Black)
- Proprietary chemistry produces bright, vibrant, and accurate colors.
- Environmentally-friendly water-based inks

High Performance Print Engine Speed

- The all-new Ricoh SG 3110DN utilizes the 4th generation of Geljet on-demand piezo inkjet printing technology to deliver improved image quality and overall performance.
- Bi-directional ink pumps that clean nozzles with minimal ink loss.
- Considerably lower energy consumption than the GelSprinter.

Approximate print times for images below using the Ricoh SG 3110DN

<table>
<thead>
<tr>
<th>Print Times</th>
<th>Print Speed: Images/Hr.</th>
<th>Print Speed: Sq Ft./Hr.</th>
<th>Print Speed: Sq M./Hr.</th>
</tr>
</thead>
<tbody>
<tr>
<td>High Resolution</td>
<td>74</td>
<td>133</td>
<td>12.4</td>
</tr>
</tbody>
</table>

* Print speeds were tested using PowerDriver-R SG3110DN while printing an 8” x 10” image (0.556 sq ft.)

Actual print speeds will vary based upon the image quality, size, driver settings, and computer system specifications.

New Bi-Directional Ink Pump System

- The bi-directional ink pumps maintain negative pressure by sucking inks back toward the cartridge so that less ink is lost during routine maintenance.
- Improved routine maintenance cycle will save ink by reducing the need for ejection while the printer is not in use. This benefit is particularly notable for low volume users.

THE JOTO DIFFERENCE

Joto Paper delivers the most comprehensive customer support in the industry. PartnerPlus is our 100% satisfaction guarantee for all SubliJet IQ users. Responsive service delivered by knowledgeable staff provides enhanced value and peace of mind to our customers.

PartnerPlus includes:

- ✔ Real Time, expert-level technical support via telephone, web or fax.
- ✔ Comprehensive color management support and application tips.
- ✔ Full product warranty against any SubliJet IQ ink performance issues or defects.
- ✔ Full warranty for piezo print heads when used with SubliJet transfer inks.
- ✔ Advice regarding recommended sublimation papers and substrates.

- No backorders will be created unless requested. Value must meet minimum order policy.

Terms and Conditions

1. Prices are subject to change without notice. All merchandise will be shipped at prices in effect upon receipt of the order.
2. A service charge of 15.00 is levied on all N.S.F. checks. Replacement checks must be certified.
3. Interest will be charged at 1.5% per month (18% per annum) on accounts with past due balances.
4. Goods Damaged in Transit
   In rare instances where goods are damaged or the order is incomplete, do not accept the goods from the shipper as having been received in good order. All shipments are deemed to have been received in good order unless we are notified in writing within a period of 10 days following delivery of the goods.
5. Return Policy
   All Sales are Final. Return and Credit requests must be received within 60 days of invoice date. Please refer to Joto Terms and Conditions for policy and procedures. All returns require prior authorization from our Customer Service Department. All returns must clearly display a Return Authorization Number obtained from Customer Services. Packages not displaying RAN will be refused. Authorized returns for goods other than defective merchandise will be subject to a 20% restocking charge. Defective goods will be replaced (not credited) upon receipt of defective merchandise.
6. Warranty
   The liability of the manufacturer or distributor is limited to the replacement of any product which contains manufacturing defects. This warranty constitutes the sole liability of the manufacturer or distributor with respect to the product and is in lieu of and excludes all other conditions, warranties, guaranties, obligations, rights or representations whether express or implied, and whether arising by operation of law or otherwise. No representative of the manufacturer or distributor or any other person or entity has any authority to offer any other warranty on behalf of the manufacturer.
   * Equipment sold by Joto carries the original manufacturer’s warranty. Contact Joto for more information.
